

The Board of Directors of the North liberty Area Chamber of Commerce invites you to become a new member, or to renew your membership, in the Chamber for the year 2011.

As North Liberty continues to change and grow, the Chamber needs your support: your ideas, your energy, your influence and your resources. Whatever projects we choose to pursue, we need the participation of the entire business community, as well as concerned citizens and not-for-profit organizations. Please join us in our efforts to make the business community in North Liberty healthy and prosperous in 2011.

The North Liberty Area Chamber has a web page: [www.northlibertychamber.org](http://www.northlibertychamber.org). It exists to support Chamber members, promote your business and act as a communication tool for the community. We welcome and encourage you to list your business on the web site. The cost to list your business is a one time fee of \$20, payable to the Chamber. Creekside Design will assist you with page design. You can contact Creekside Design directly from the web site, or contact any Board member for more information.
